

PROJECT CLOTHING PROJECT

The clothing project store offers clothing, shoes and blankets at no cost to families. Families are given 'points' to shop with in the clothing project. This point system teaches basic budgeting and financial responsibility. The clothing project is open Monday - Thursday from 10:30 - 12:30.

If you are interested in making a donation toward the clothing project please review this list of accepted items. We prefer that donations are dropped off during the clothing project operating hours. If you need to make a donation outside of those hours please call our office at (704) 733-9934.

Items We Take

- Clothing for men, women, children and babies
- Shoes for men, women, children and babies
- Coats for men, women, children and babies
- Blankets
